T.O. 6.

25X1

1. I acknowledge the fact that because of the particular fiduciary relationship between myself and the U. S. Government, I will be the recipient of information which, in itself or by the implications to be drawn therefrom, will be such that its unlawful disclosure or loose handling may adversely affect the interest, and possibly the security, of the United States. I realize that the methods of collecting, of handling, and of using this information, as well as the identity of persons involved, are often as sensitive as the substantive information itself and, therefore, must be treated by me with an equal degree of security and confidence.

2. I will always recognize the paramount interests of the U. S. Government in information which I or my organization may possess, compile, or acquire as a result of requests placed upon me by Government representatives pursuant to this understanding. No advantage nor gain will be sought by me as a result of the added significance or value such data may acquire due to the Government's interest in it.

3. I solemnly pledge my word that I will never divulge, publish, nor reveal either by word, conduct, or by any other means such information or knowledge, as indicated above, unless specifically authorized in writing, in each case, by the U. S. Government.

4. Nothing in this agreement is to be taken as imposing any restriction upon the normal business practices of myself or the organization with which I am affiliated. It is understood that information normally processed by us or gathered in the regular course of business will continue to be utilized in accordance with our normal practices.

5. I understand that no change in my relationship with the U. S. Government will relieve me of my obligation under this oath and that the provisions of this oath will remain binding upon me even after the termination of my relationship with the United States Government.

6. I am aware that unauthorized disclosure of any information affecting the national defense of the United States within the meaning of the espionage laws, Title 18, USC, Secs. 793, 794, and 798, or the transmission or revelation of such information in any manner to an unauthorized person is prohibited by law.
